

WHERE DO MY TAX DOLLARS GO?

The charts below reflect how taxes from a Ray Township home, with a Principal Residence Exemption (PRE) and a taxable value of approx. \$ 150,000, are distributed according to 2024 tax millage rates. Actual taxes vary by the school district (example below is Armada Community Schools). Township of Ray is home to four different school districts– Armada, New Haven, Romeo and Utica.

2024 Summer Tax Bill: \$ 3,085.35

2024 Winter Tax Bill: \$ 1,513.82

(Taxable Value/1000) X Millage Rate = Taxes Levied

**Total of Summer and Winter Bill Example:
151,414 / \$1,000 X 29.3772 = \$ 4,599.17**

What about Roads? Ray Township roads are under the jurisdiction of Macomb County. Roads are funded by gas taxes and car registrations, and are distributed by the State of Michigan.
